

The up side.

- Numerous jobs have been carried out over the last three months including
 - i) *cleaning and repair of Bothies*
 - ii) *refurbishment of some buildings*
 - iii) *maintenance of pathways*
 - iv) *removal of fallen trees*
 - v) *repair of fences*
 - vi) *re-roofing of Annex*
 - vii) *carrying out the required improvements requested by Health and Safety*
 - viii) *clearing rubbish from the river*
 - ix) *maintenance of machinery*
 - x) *general ground work*
- Management figures for the site were produced and all sections were within budget.
- A proposed budget for 2003-2004 was examined and will be presented at The County Executive meeting for approval.
- The camp office will now be situated in the Bowring Hut
- A recommendation that An Assistant Warden is appointed for ten weeks during the summer season is to be place before The County Executive for approval.
- Rock and River will be providing activities on site provided their services are booked in advance.
- Lathom Cabin is very well used and being booked every weekend.
- A small group is being convened to produce a development plan for the site.

The down side

- Unfortunately the new shower block has already been vandalised by youngsters on site.
- Unaccompanied Scouts will be allowed to camp on site however if behaviour is unacceptable the youngsters will have to be accompanied by a Leader on subsequent visits.
- Any unacceptable behaviour by youngsters or Leaders will result in the Group being asked to leave the site.
- If any wilful damage is caused on site, an invoice to recoup the cost will be sent to the Group concerned.
