Volunteer for Birkenhead District Scouts!

The search is on for a new volunteer team leader for Birkenhead District Scouts, and we need you to think about anyone you know who would thrive in this role!

So, what is the role?

This role holds to the title of District Commissioner (Lead Volunteer) and acts as a manager, supporting other volunteers to ensure the District runs effectively and provides quality Scouting to more and more young people in Birkenhead. This role would be great for an individual but also work well as a role share with a team of 2 or 3 people.

In a nutshell, the DC would:

- Inspire and enthuse people
- Apply strategic thinking to a challenge
- Build and lead a team of key volunteers
- Be resourceful and energetic
- Believe passionately about developing young people and volunteers

What's in it for you?

Volunteering with us is both fun and rewarding. It offers the opportunity to develop a range of skills and attributes which are transferable to the workplace, such as confidence, social skills, teamwork ability and leadership and management skills, including line management experience. In addition to this is the opportunity to rediscover adventure, make new friends and get involved in the community; all of which is great for personal development and will enhance the CV. At the same time this could support your Corporate Social Responsibility (CSR) activities and objectives.
